

# UAZ-452D "Bukhanka"

№ 35405

UAZ-452D (nicknamed "Bukhanka" (Loaf (of bread))) is a family of unic off-road cars produced at the Ulianovsk Automobile Plant.

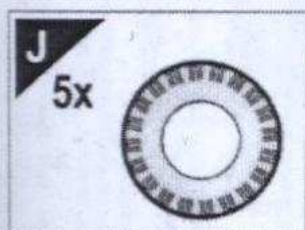

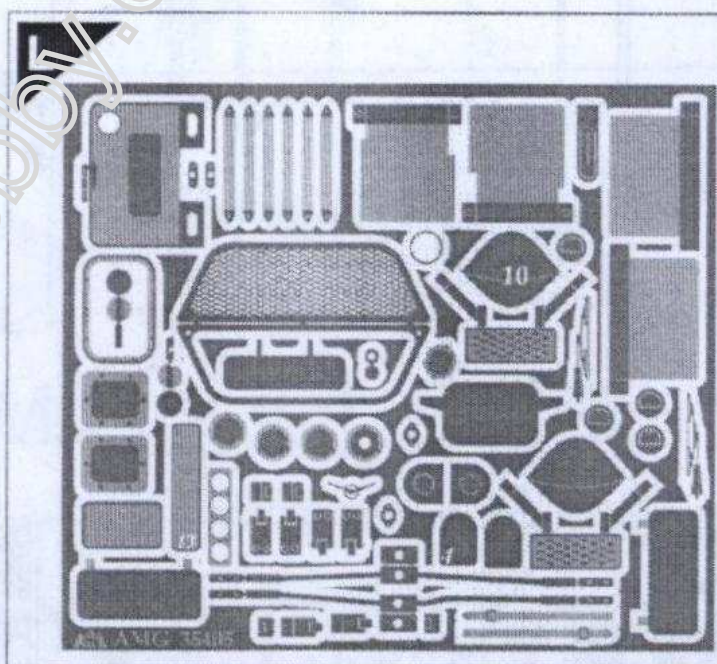

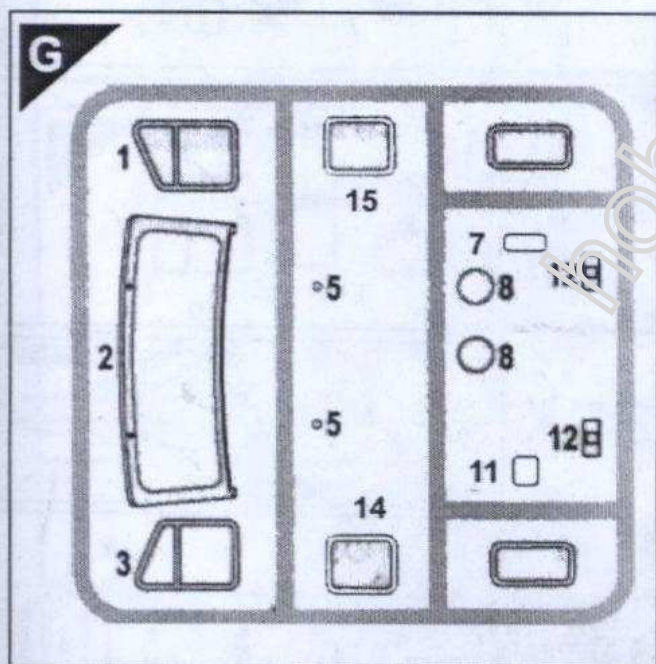

The UAZ-452D is a 4x4 off-road heir to the earlier 4x4 UAZ-450 & 4x2 UAZ-451.

This car was manufactured of the Ministry of the Defense of the USSR.

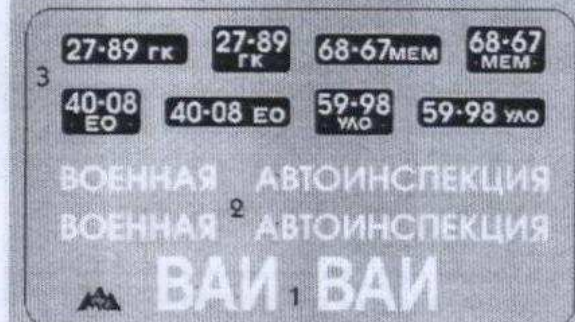

Serial production of the UAZ-452D started in 1965.

The car is produced in several modification, with the main difference being the body type (UAZ-452 "Bukhanka" - staff van, UAZ-452 "Tabletka" (Pill) - ambulance van).

This diagram illustrates the assembly of a door. The main components shown are:

- H4**: A rectangular panel or handle component.
- C5**: A vertical frame or support structure.
- G11** and **G7**: Small cylindrical components, likely rollers or guides.
- E25**: A horizontal component, possibly a latch or strike plate.
- E13**: A long, thin horizontal component, likely a hinge or support bar.
- E7** and **E1**: Small components, possibly screws or pins.
- C1**: A vertical frame or support structure, similar to C5.

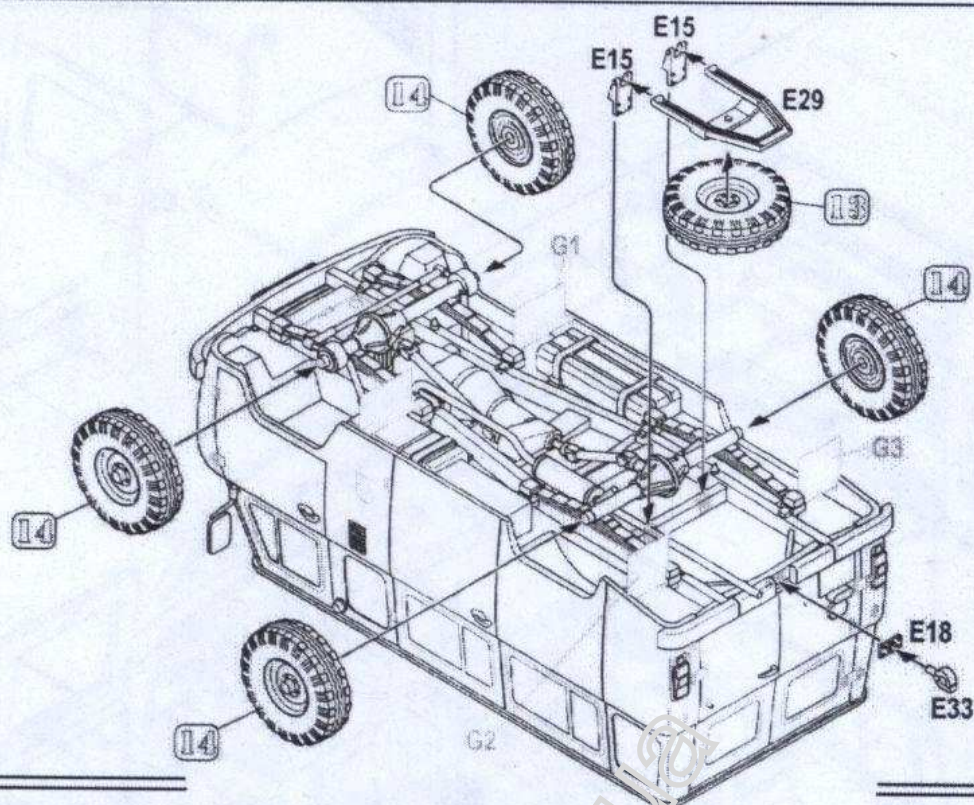

Arrows indicate the assembly sequence and the placement of each component. A large watermark 'L26' is visible across the diagram.

This diagram shows an exploded view of a vehicle chassis, likely a truck or heavy-duty van. The main body of the vehicle is shown from a three-quarter front view. Various components are shown in their relative positions, with lines indicating where they are installed. The components are labeled with letters and numbers:

- Front End:** L15 (hood), L46 (front fender), L39 (front bumper), E26 (front bumper bar), E19 (front bumper plate), G8 (front fender light), R2 (front fender light bracket), E6 (front fender light housing), L16 (front fender light housing), L38 (front fender light housing), L24 (front fender light housing), E2 (front fender light housing), L25 (front fender light housing), E4 (front fender light housing), G4 (front fender light housing).
- Side View:** L11 (side fender), L9 (side fender), L7 (side fender), W1 (side fender), R1 (side fender), L36 (side fender), E1 (side fender), L38 (side fender), G4 (side fender), L39 (side fender), E6 (side fender), R2 (side fender), G8 (side fender), L16 (side fender), L46 (side fender), L15 (side fender).
- Other Components:** L24, E2, L25, E4, G4, L38, L36, E1, L11, L9, L7, W1, R1, L39, E6, R2, G8, L16, L46, L15, E26, E19.
